

# Humanists of Southeast Michigan Membership Application Form

The purpose of the Humanists of Southeast Michigan is to promote the ideals of the "Humanist Manifesto - Humanism and its Aspirations" that express an ethical, democratic, naturalistic life-stance that challenges irrationality, promotes critical thinking and the separation of church and state. We present a system of Humanist ethics that is a rational alternative to those based in religion and encourage connections among thoughtful people in our community.

Humanists of Southeast Michigan is a membership chapter of the American Humanist Association, a non-profit educational organization.

**Make check for \$25 payable and mail this completed form to:**

**Humanists of Southeast Michigan  
28611 West 12 Mile Road  
Farmington Hills MI 48334**
